PRINCIPAL'S REPORT

As the school year is winding down, things seem to be speeding up around here. The grade 12's are getting ready for their graduation. Graduation ceremonies will begin at 7:30 in the school gymnasium. Everyone is welcome to attend.

We have a new face here at Imperial School. I would like to welcome Mrs. Betty McConnell who has graciously accepted the K/1/2 position for this spring. Betty is from Holdfast and brings a wealth of knowledge and teaching experience to us. We are very excited to have her and the students are fortunate to have her as their teacher.

I would like to thank Mrs. Barb Ruether for filling in until a replacement could be found for the K/1/2 classroom. The students and staff loved having her here.

We will have some new faces here in the fall. Ms. Victoria Danyluk will be taking over the K/1/2 program in the fall. Mr. Doug Jackson will also begin teaching this fall. He will be replacing Mr. Selby.

Congratulations to the track participants. They traveled to Watrous last week and competed in a variety of track events. Good luck to those who will be moving on to District competition on Tuesday.

-Ms. Rieger
