PRINCIPAL'S REPORT

As the school year is ending, I would like to take this opportunity to say goodbye to some very important people. First, to Mr. Selby and Mrs. Schmale. It has been a pleasure working with you this year. You are dedicated teachers and work hard to ensure student success. Mrs. Schmale is moving to Punnichy where I know she will do very well. Mr. Selby is moving closer to home and will be working in Bruno. Best of luck to both of you. Thank you to Mrs. McConnell for stepping into the K/1/2 position. We have enjoyed having you here and the students love you! The Grade 12s will be soon done their exams also moving on to bigger and better things. I wish you all the success in the world. I know there are great things in store for each of you.

Thank you to all those parent volunteers. We have done a lot this year in our school, and these events would not be successful without you. Thank you for driving, donating and volunteering when we needed you.

I hope everyone has a great summer. Stay safe and dry!

Classroom Happenings

K/1/2 News

June has been a busy month in the kindergarten, grade one and two classroom! We kicked it off on Wednesday, June 11, 2014 when we headed to Saskatoon for our field trip.

On June 11 we went to the zoo.

Unfortunately the red panda didn't come out to see us, but we

Really liked all the other animals.

Foam Pit was a hit at Can Am Gymnastics.

I liked jumping on the Olympic trampoline and

Enjoyed flipping on the bars.

Loved that our

Dads and Moms drove and chaperoned.

Teachers at the gymnastic club were really nice.

Ready for home, but first we stopped for

Ice cream and drinks at MacDonald's.

Paid for a toy pumas, popsicles and souvenirs to remember our day.

Then on Friday, June 13 at 2:30pm the kindergartens had their graduation. The grade one, two, three class performed the play "All Through the Year" for the kindergartens. The Kindergarten, grade one and twos performed La Raspa for the audience. After receiving their diplomas, the kindergartens shared cake and juice with their many guests.

On Tuesday, June 17 next year's new kindergartens came for orientation. They spent the morning with us learning about letters, making soap clouds, snacking and playing. Imperial School would like to extend a huge welcome to Emma Field, London Webster, Gemma de Vries, Madison MacLellan, Amanda Martens, Danny Strauss, Choc Gullacher, Miles Williams and Charlie Sainsbury. We look forward to seeing you again this fall!

In health the grade 1, 2, 3 students have been participating in the Rick Hanson Difference Maker

Program. As a culminating activity, they planned three of their own difference maker projects. They made cards to send to children at the Saskatoon Pediatric department, books to share with the residents at the LLVIF and planned an ice cream sale for June 24 at noon to raise money to donate to the LLVIF auxiliary. They raised \$142.00!! The grade 1, 2, 3 students also visited the hospital on June 24 to perform their play for the residents.

Cohen and Siara both had their birthday on June 23. Finally, the last day of school and Play Day were held on June 25.

Grade 3 & 4 News

We bought this tree for your loving son, Maxwell, and for you and everyone in our community to remember the special memories of him. We planted the tree near kids, so they can play around it, just like Maxwell played as a baby.

As a class, we decided to buy a tree to hold memories of Maxwell close to our hearts. We took a vote and decided to hold a bake sale and a hotdog sale. We sold ALL of our hotdogs and had just a few leftover treats. As part of this sale, we also sold 71 glasses of iced tea.

We raised a whopping \$402.32. With that money, we purchased a sign from Carter's grandpa, Dave Mooney. We *insisted* on paying him for his supplies. Thank you, Mr. Mooney, for crafting the sign for us. We also purchased a burr oak. We decided to buy this type of tree because it will

grow to be enormous and make shade for the playground. Also, it is drought-tolerant. After buying the tree and the sign, we had \$281.39 left over. Ms. Cantelon and Mr. Leslie would like to donate that to the Imperial School Library.

Thank you to all the students for attending this tree planting memorial ceremony. Thank you to Mr. Leslie and Ms. Cantelon for supporting our plan. We love you and miss you

Grade 5 & 6 News

Our ELA Heritage Fair was on June 11. We think people that came enjoyed the Fair. Students researched their family story and found a lot of information. We saw pictures and artifacts of long ago. Mrs. Baade took pictures of our displays. We thought it was fun.

Kayden Freeman, Alina Khrystych.

Grade 7 & 8 News

The Grade 7/8 ELA class had a hotdog sale to raise money for World Vision's Water project. The sale took place on Thursday, June 19. We raised \$302.45 (minus expenses)! Thank you to everyone who contributed to our fundraiser by buying a hotdog and/or iced tea.

Jenna and Lena

Grade 9 & 10 News

The grade 9/10 class has been hard at work and are looking forward to our summer vacation. On June 5th, our class' organization, Drops of Hope, hosted a bake sale. All proceeds are going to provide clean water for people without. In total we raised \$250. We couldn't have done this without your support, thank you. In all of our classes we are finishing what we are doing, as finals are approaching. We wish all our fellow classmates good luck on upcoming exams. Have a good summer; see you next year.

Grade 11 & 12 News

It was so much fun teaching all of my students this year!
You are awesome! Have a great summer!

Mrs. Schmale

SRC Happenings

I am sad to say that this will be my last SRC report. We would like to say congratulations to Tin Man for winning survivor this year! For their success, they got a free taco in a bag lunch provided by the SRC. On June 13, we had two events to end our year: BYOB and Twin Day. Students brought their own bananas to school, and the SRC provided them with free toppings for their sundaes. Students also dressed as twins or triplets for the last spirit day of the year. We would like to thank Mr. Libke and the senior shop class for building a storage cabinet for the SRC, and Mark and Karla Scheidt for donating meat for the taco in a bag lunch. The SRC will be having a fundraiser next September with the collections catalogue. Thank you to all who support our fundraisers!

SCC Happenings

As the year draws to a close, and everyone is ramping up for some summer adventures, the SCC is putting some thoughtful preparation into the school year to come. We have some very exciting ideas to unveil in the fall that are sure to bring our community and our school together, as well as bring a lot of joy and fun to the 2014/2015 academic year!

But until then, have a fun and fantastic summer and stay safe! We are so proud of all the Imperial School students. Way to go, Guys! YOU DID IT!

Feel free to go on the HZSD website to obtain their 2014-2015 calendar. Just type in 2014-2015 calendar in the search box.
