

Town of Imperial Newsletter

December 2009

Well, the festive season is upon us with many Christmas parties and festivities taking place. As Christmas approaches, let us remember the less fortunate in the world and especially those in our own community.

The park at the end of Main Street is all but complete and ready for your enjoyment. The total cost of the park, including walking trail, lights, bridge, trees, etc is around \$75,000.

The Town of Imperial is entering into an agreement with the R.M. of Big Arm for equipment sharing. The town will be utilizing the R.M. grader for snow removal in the winter and street grading in the summer. This could save the town some capital costs in the near future.

Howard and Lawrence Richardson will be helping to clean the snow from the sidewalks on Main Street this winter.

The Town of Imperial is entering into an agreement with the R.M. of Big Arm which

will allow the R.M. residents to utilize the Waste Transfer Station.

Rural Saskatchewan is home to the spirit of volunteerism and Imperial is no exception. We would like to thank all those who donated their time this past year.

I would like to take this opportunity on behalf of the Imperial Town Council to wish you and yours a very Happy Christmas and a prosperous and healthy New Year.

He who has not Christmas in his heart will never find it under a tree. ~ Roy L. Smith
