

Lewis Agencies Ltd / Lewis & Company

Lewis Agencies was established as a proprietorship in 1971 by William Lewis when he purchased an existing accounting firm from Phil Bird. William Lewis is a Certified General Accountant. The business provides income tax, accounting and investment services. Mr. Lewis initially worked out of a small building on the main street of Imperial. In 1976 the company purchased the lumberyard building and property in Imperial and moved the office to its present location at 514 Railway Avenue.

The business was incorporated in 1977. In 1996 a division called Lewis & Company (W.E. Lewis, CGA Professional Corporation) was established to handle all of the corporate accounts.

An addition to the building, as well as a complete office renovation, was completed in 1998 to provide space for the staff of eleven and allow those working in the basement to move up to the main floor. The building is 2500 sq feet and also provides office space to Long Lake Insurance.

On January 1, 2003 Mr. Lewis sold the Lewis Agencies Ltd division to Sharon Crittenden who has been employed with the company since 1989. Sharon Crittenden is a Certified Financial Planner. Both Bill and Sharon continue to work together in both divisions of the business.
